

Getting to Salcombe Regis

DIRECTIONS

The Park is well sign-posted on the Exeter-Lyme Regis road, (A3052), from both directions.

Do not take your caravan into Sidmouth itself. If coming from the east on the A3052, take the first turning left after the Donkey Sanctuary.

If arriving from the west on the A3052, proceed up the hill out of Sidford.

Do not take the first road sign-posted to Salcombe Regis, but take the third right at the top of the hill. Follow the road around and you will find us on the left hand side just past the Golf Range.
