

# Dog Policy

Here at Salcombe Regis we welcome well behaved dogs and responsible owners. A Dog Policy is in place for the benefit, comfort and welfare of all dogs, owners and other guests. We must appreciate that whereas we are dog lovers, not everyone is. Blatant disregard of this reasonable Policy will result in you being asked to leave the Park without a refund.

## Static Caravans and Seasonal Pitches

A maximum of 2 dogs please unless agreed with us in advance of your arrival. Dogs are to be kept within the confines of your pitch unless on a lead and are not allowed to roam freely where there may be the possibility of fouling the adjoining pitch or causing distress to your neighbours.

We have two Dog Friendly Statics only and we warrant to other guests that the remaining statics have not accommodated dogs at any time (due to allergies etc.). Please do not allow your dog to enter any other static caravan (other than a dog friendly unit) during your stay. If in any doubt - please ask.

Please do not allow your dog on the furniture or on the beds in your static caravan.

Whilst on the Park dogs must be kept on a lead at all times including the Meadow and are only allowed off the lead in the Dog Walking Area. There are dog waste bins and bags for your use. Please clean up after your dog.

With the exception of guide dogs, no dogs are permitted in the Children's Play Area, Shop or Utility Block at any time.

If you have a noisy dog that barks or whines a lot, please consider leaving it at home as we will have to respond to complaints of excess noise and, in a worst case scenario, you may be asked to remove them from the Park without a refund.

Dogs must not be left unattended in a static caravan, caravan, motorhome, tent or vehicle of any description at any time. Failure to observe this polite request will result in the relevant authority being informed and you will be asked to leave the Park.

## Touring Pitches

We will consider more than two dogs in the touring areas of the Park for short stays only. The same Policies apply as it does for static caravans and seasonal pitches and it will be closely monitored by the Wardens. Please advise us of the number and breeds of dogs at the time of booking.

## Aggressive Dogs

Any dog showing signs of aggression that is not under your close control will result in the owner being asked to remove it from the Park immediately - without exception.

*Thank you for your co-operation.*
