

Covid 19 Controls

From 17th May 2021

Toilet Facilities. Following the recent government announcement and updated guidelines we are delighted to inform you that as from Monday 17th May 2021 we will be able to open all of our toilet facilities on the Park for your use. Until further notice the showers will be open in the main block only.

We will continue to clean the facilities on a more regular basis and ask our customers for their cooperation and vigilance to maintain social distancing and to ensure that no more than 2 people are in the blocks at any one time.

Our buildings will be well ventilated and all windows and doors must remain open at all times for the welfare of all guests. Masks must be worn whenever you enter a building.

Please ensure that regular hand washing takes place and we encourage the full use of the many hand sanitisation dispensers located on all of our buildings before entering. Please take the time to read all of our signs and notices strategically placed in all areas of the Park that are there for the benefit and welfare of everyone.

Shower Facilities. The current guidance is very clear in that strict controls must be in place which will mean that our showers will be open but very much in a controlled manner. This may mean restricted opening times and booking system. We will close off our showers at 7:30pm every evening and re-open them at 9:30am the following morning after they have been deep cleaned and sanitised. We will continue to clean the shower blocks throughout the day. Your health and welfare is very important to us and we ask for your understanding and cooperation during these difficult times. If you have any specific concerns please do not hesitate to contact us.

We strongly recommend that all of our customers continue to use their own on board facilities wherever possible which can only help to minimise the risk of spreading the infection.

Further guidance will follow on or about the 21st June 2021 and we will keep you updated accordingly.

We very much look forward to welcoming you all to the Park very soon.

Best Wishes
